

NOTES FOR THE MEETING OF THE COMMUNITY INVOLVEMENT GROUP: JUNE 11 8:30 P.M.

The meeting was conducted by Obie Benz.

I. Living Arrangements:

- a. drugs should not be used in either the Federation Building or the apartments in the Battell Block. They hurt the cause, rumors, etc.
- b. state of the house: girls will arrange with each other about cleaning the house. Outside people should make an effort not to disrupt the living room and other areas when they are in the house.
Ginny Wanklyn is in charge of the food finance.
Margy Nason will take care of office supplies.
- c. finances: the rent in both the Federation Building and the Battell Block will be \$20.00 per month. This money is not to be used until the end of the summer except for emergencies. The college will want installments on the rent, but has given the group June's use of the buildings free. Those living in this housing will pay June's rent anyway to help finance the group. The estimate for rent for the entire summer is between \$200.00 and \$400.00 for the summer. People using this housing should pay rent at the beginning of the month. The rent should be given to Ginny Wanklyn (checks payable to her - write "for deposit only" on back of check). Food shall be paid for weekly. Girls will cook in pairs in alternate weeks, and they will also buy the food for that week. They should have the money at the beginning of the week. If extra people eat at the Federation Building, they will be expected to pay for their meals.
- d. Fund raising: Letters must be sent to notable parents. Hopefully there will be about 100 letters sent out. Everyone should run through the directory to see if they know parents who could give money.

II. UVM is very organized. They have sub-groups with respective leaders, organized bi-weekly meetings. The Community Involvement Group needs some sort of power structure, and then we can proceed from there.

Tentative list of organizations:

1. Hoff Campaign Fred ~~Klein~~ Klein
2. Research Bret Marcus, Chris Carr - DAN GILMOR
3. Draft Counseling Chris and Laurie Carr they are setting up an office above Verde-mont store.
4. Headstart Andy Weinstein, Ginny Wanklyn
5. Bristol Recreation Program Frances Marbury

A list for signing up has been put on the bulletin board in the Federation building for every activity. Everyone interested in any of the organizations should sign the sheet for that activity.

III. Meetings: three types of meetings were proposed

1. individual groups meet to decide problems within that organization
2. organizational meetings of the corps group (leaders of the individual organizations)
3. meetings which bring everyone together to discuss all the organizations. Self-education important. An excellent book suggested was Theodore Rosak's The Making of a Counter-Culture.

IV. Miscellaneous:

1. someone needed for labor assistance. Workers should ask their employers to pay an additional 5% of their wage to labor assistance.
2. debts, telephone bills, general costs have put the group \$50-\$60 in debt. The strike fund should continue. Every person working for the Community Involvement Group should donate 15 to 20 dollars for the costs of operating this summer unless it is financially impossible to do so. These donations

should be given to Margy Nason.

3. There should be a community relations and education group. Glenn Jarrett is tentatively in charge of this group

A Community Advisory Board is being proposed which will include 2 or 3 people from the Community Involvement Group, 2 people from the college, and townspeople.
